User-friendly installation

Product Specifications

The Baracuda Ranger is a simple but reliable, easy to maintain solid performer, specifically designed for any household pool. A proven workhorse with a robust design, it is a highly efficient suction cleaner with great manoeuvrability.

Debris type: Picks up most leaves and small debris. Ideal for sand and silt. Not suitable for large debris such as twigs, gum nuts and eucalyptus leaves

Suitable for all in-ground pools, with 6 x 1m hose lengths included to suit 10m X 5m. Additional lengths available. Suitable for tile, concrete, pebblecrete, quartzon, fibreglass and vinyl.
