Product Specifications

The Baracuda Gemini Twin Sweep automatic swimming pool cleaner is durable and made to last in harsh African conditions .

This automatic swimming pool cleaner works with the suction power of your swimming pool pump. It consists of three moving parts and is therefore cost effective to maintain in the long run.

The hammer action pool cleaner is easy to install and maintain. It also includes 8 UV stabilized hoses, UV protected body and the wide suction mouth to capture large and small debris for a clean pool.

Pack Contents:

1 x Baracuda Gemini Head
1 x Gemini Skirt
8 x 1m Gemini Hose
1 x 300mm Joiner hose
1 x Control Valve
1 x 90deg weir adaptor
1 x Owners manual

Product Code: 630-9500
